

Can you spare an hour a week to change a child's life?

www.UCOMgr.org

Homework House™, UCOM's tutoring/mentoring program, has been helping children to learn to read better and to overcome social and language barriers to education for nearly 25 years.

Fantastic Volunteer Opportunity

Usually the lion's share of the 90 tutors that are needed to work one on one and in very small groups with children in two Grand Rapids public schools come to us from Calvin College, but a new process at the school reduced our number to 45 this semester.

That means that our Homework House scholars need about 45 more volunteer tutors and mentors to **dedicate one hour a week** for about 10 weeks.

No experience necessary. UCOM's experienced staff provides all the necessary training, and our Homework House™ coordinator is present each day to answer your questions and brainstorm ways to be of the most help to "your" student.

Seeing scowls of "failure" turn to these gigantic smiles makes tutoring for Homework House the best job you'll ever have.

We are looking for tutors for the following times:

Cesar Chavez Elementary	3:45-4:45 pm
Monday through Thursday	
Southwest Campus	4:15-5:15 pm
Monday through Thursday	

UCOM does not discriminate on the basis of race, religion, color, ethnic or religious background, descent or nationality, disability, age, gender, gender identification, sexual orientation or identification.

There is a mandatory background check by the school system and results of this check may disqualify some people.
