

The Mission of Homework House

To promote academic achievement, and enhance self-esteem and self-sufficiency by providing tutoring in basic skills, assistance with homework assignments, and engaging students in enrichment programs that broaden their horizons.

What We Believe

We believe in the power of community, coming side-by-side with our neighbors, and together, stepping forward into a brighter future.

Every child deserves a chance to succeed. By providing the right tools, we are opening doors and giving them that chance.

Whatever time or financial support you can give **does** make a difference.

Helping Kids Become
Better Readers

After School Tutoring Program

Homework House provides after school tutoring for students in Kindergarten through 5th grade.

Our focus is on developing students' literacy skills, building self-confidence, and partnering with volunteers from the community to empower our students.

Partnering with Public Schools

- Godfrey-Lee Early Childhood
 - Godfrey-Lee Elementary
 - Cesar Chavez Elementary

What do volunteers do?

Volunteers make the difference!

They provide the one-to-one interaction that students need and desire to thrive in their academic environment. Tutors do a variety of activities with their students: reading together, writing activities, homework assistance, playing games and more.

Homework House Facts

- 📖 Orientation and training is provided for all volunteer tutors
- 📖 All necessary educational materials are provided
- 📖 Homework House provides children with new books that they may choose to build their home libraries.
- 📖 Site Coordinators are present to act as liaisons between classroom teachers, students and volunteers

Many students in our area lack the support needed for academic success. UCOM works to bridge the gaps.

Interested in being a Tutor?

Homework House has multiple exciting locations where tutoring services are offered to children. If tutoring interests you, you could serve for one day or more per week to help make a difference in the life of a child. Please contact us for more information.
