

17th Annual
Friends of UCOM Benefit Concert

Sunday, April 19, 2020 6:00-9:00 p.m.

Plymouth UCC 4010 Kalamazoo Ave. SE Grand Rapids, MI 49508

The Friends of UCOM Benefit Concert is in its 17th year as one of the organization's premier fundraising events. Enjoy beautiful music from POSH 4 , a group of 4 pianists playing simultaneously on 2 grand pianos, & Gwenneth Bean, former Metropolitan opera singer. Event attendees will learn about the community we serve as well as the resources and hope that you provide to your neighbors through our programs. Stories of your impact in this community will be shared as we hear of the relationships and successes neighbors experience because you support them. A silent auction will raise additional funds, and light refreshments will be available after the concert. Join us in providing resources to restore economic freedom for your neighbors by placing an ad in the concert program at one of the following levels:
